2011 Charities:

Goshen & Elkhart Salvation Army

The Salvation Army, founded in 1866, is an international religious and charitable movement. The Salvation Army provides assistance with clothing referrals, food, utilities, home-delivered Mobile Meals, Community Thanksgiving dinner, Christmas assistance and Adopt-A-Family.

Lerner Center

ECBOR will become an integral part of Lerner Theatre by sponsoring a theater seat in the restored and upgraded landmark once hailed as a "theater palace." The seat will have the name of our Board and will be a visible part of this dynamic arts and community center for years to come!

Wellfield Garden

Wellfield Gardens is situated on 36 acres including 18 acres of water, six blocks north of downtown Elkhart on a historical piece of property known as the North Main Street well field. This site has been a source of hydraulic energy and drinking water for the City of Elkhart since the middle 1800s. Part of the auction proceeds will purchase a donor brick in support of this ever expanding project.

**Live & Silent Auction
